FEEDBACK FORM

On behalf of Student Nurses association, I Sadaf fatma President of College of Nursing Kasturba hospital, would like to express my views on various activities and infrastructure of college.

Teaching environment of college is conducive to learning, teacher are well qualified and conduct good classes with help of latest AV-aids LCD, smart board.

Classes are regular and much stress is given to enhance the quality of education.

We celebrate cultural festivals with great pomp and joy. Students participate and perform exemplary performance.

Field visit are organized for practical experiences to give us better understanding of the phenomenon. Teacher also provide support and career counselling. We conduct research project to create evidence based practice.

FEEDBACK FORM

On behalf of Students Nurses Association, I Preeti Pandita would like to express my views on various activities and infrastructure of college.

The teaching environment at the college is highly conducive to learning. The professors are knowledgeable and approachable, encouraging a culture of inquiry and critical thinking. The classrooms are equipped with modern teaching aids, which enhance student engagement resulting in clarity of concepts.

The class structure is well-organized, with a balanced blend of theory and practical learning. The punctuality of classes and the adherence to academic schedules reflect the college's commitment to excellence.

The cultural festivals are well-celebrated, allowing students to participate and enjoy without hampering their academic responsibilities.

Field visits are well-organized and relevant to the student's areas of study, enhancing their overall learning experience.

Teachers also provide support and career counselling that guide students in identifying their strengths, interests and career paths. Research projects are conducted to create evidence based practice.
